Validation labels

Validated	The value is validated by its owner process.
Provisional	The value is provisional: pending validation or approval; it is shown and counted.
Unknown	No value is available; the cell is empty and is never shown as 0.
Stale	The value is out of date; no current number is shown.
n/a	The value does not apply to this record.
	Totals marked as formulas are computed by the spreadsheet from the rows above; text never becomes a formula.
